

Linda F.

Moved to Glenview from the city and discovered the amazing world of Square Dancing in 2022! After a career in advertising as a VP Group Media Director handling Dodge Advertising Associations' media needs and a few years of teaching Media part-time at Columbia College I am loving the fact that I am retired and have some time to explore new interests. I have always loved music and sing (chorus not lead) with a choir that puts on a spectacular "Holiday Pops Concert" with 45 piece professional orchestra. Also enjoy biking the lakefront when the opportunity presents itself and travel...three weeks in Greece was my favorite! It was on a lark that my brother and sister-in-law invited me to attend an Introductory Square Dance Class and the rest is now history. The people I have met Square Dancing are such a talented, friendly, helpful and welcoming group. Glad I acted on that lark!
